## Welcome

## Introductions

## Safety Summit

- Details
  - January 25; 1:30-4
  - Montana Pavilion at Metra
- Approach
- Emphasis area teams
  - AC members volunteered for emphasis areas. AC participation will be important to activate participation.
- Stakeholder list
  - Will email for review. Please provide any other names that should be invited to Safety Summit.

## Community Safety Programs

- Reviewed
- Consider to:
  - Identify available resources
  - Identify engagement gaps
  - Avoid redundancies

## Next steps

- Safety Summit
- Public meeting and public input on website ([www.billingsctsp.com](http://www.billingsctsp.com))

## Discussion

- Montana Drive
  - Available for anyone
  - 2-week summer program
- SET
  - Applied for by local government
- UBER/LYFT
  - Are there local contacts to add to our stakeholder lists?
- Dept. of Revenue – partner
- Department of Public Health – working in marijuana programming
  - NHTSA – could cross over
  - CO and WA resources
- Electronic Device Ordinance
  - Do we know how many tickets are issued because of the ordinance?
- Yellowstone County Traffic Safety Task Force
  - Does this still exist?
